Section 113.14 of the Customs Regulations (19 CFR 113.14), which lists the types of bonds subject, after execution, to approval by a district director of Customs, includes a paragraph (r) (19 CFR 113.14(r)) the landing bond for alcoholic beverages. Section 113.14(r) of the Customs Regulations describes the bond in question as "Landing Bond, Customs Form 7593, or landing bond in the form prescribed in T.D. 47886."

It has come to the attention of the United States Customs Service that the wording of section 113.14(r) of the Customs Regulations, suggests that Customs Form 7593 is a different document from the landing bond prescribed in Treasury Decision 47886. Actually, Treasury Decision 47886 provided that the form prescribed therein was "to be designated Customs Form 7593." However, Customs Form 7593 has never been printed by the Government Printing Office or otherwise been made available by the Customs Service. Instead, persons needing to file a landing bond for alcoholic beverages have been referred to Treasury Decision 47886, which requires that a bond be filed in substantially the form prescribed therein.

Accordingly, in order to eliminate any continued confusion in this matter, paragraph (r) of section 113.14 of the Customs Regulations (19 CFR 113.14(r)) is amended to read as follows:

§ 113.14 Bonds approved by the district director.

.

(r) *Landing bond for alcoholic beverages.* Landing bond, in the form prescribed in T.D. 47886, to land spirits, wines, or other alcoholic liquors in foreign ports, in an amount equal to double the estimated duty.

(R.S. 251, as amended, sec. 623, 624, 46 Stat. 750, as amended (19 U.S.C. 66, 1623, 1624))

Because this amendment merely clarifies present requirements and requires no public initiative, notice and public procedure thereon is found to be unnecessary and good cause exists for dispensing with a delayed effective date under the provisions of 5 U.S.C. 553.

Effective date. This amendment shall become effective upon publication in the FEDERAL REGISTER. (095708)

Certain Importations Temporarily Free of Duty—Customs Regulations amended

Sections 54.3 and 145.33, Customs Regulations, relating to bona fide gifts from members of the Armed Forces serving in a combat zone, deleted

DEPARTMENT OF THE TREASURY,
OFFICE OF THE COMMISSIONER OF CUSTOMS,
Washington, D.C.

TITLE 19—CUSTOMS DUTIES

CHAPTER I—UNITED STATES CUSTOMS SERVICE

PART 54 - CERTAIN IMPORTATIONS TEMPORARILY FREE OF DUTY

PART 145 - MAIL IMPORTATIONS

Pursuant to Public Law 89-368, dated March 15, 1966 (80 Stat. 71), item 915.25, which provided that, under certain stated conditions, articles constituting a bona fide gift from a member of the Armed Forces of the United States serving in a combat zone were entitled to entry free of duty, was added to the Appendix to the Tariff Schedules of the United States (19 U.S.C. 1202). Subsequently, the Customs

Regulations were amended by adding sections 54.3 and 145.33 (19 CFR 54.3, 145.33) to set forth specific procedures for the duty free entry of articles under item 915.25. While the effective period for item 915.25 was extended by subsequent public laws to December 31, 1973, at which time the effective period for the item expired and it was deleted from the Appendix to the Tariff Schedules, sections 54.3 and 145.33 of the Customs Regulations were never deleted.

Inasmuch as the effective period for item 915.25 has expired and it has been deleted from the Appendix to the Tariff Schedules, sections 54.3 and 145.33 of the Customs Regulations should also be deleted. Accordingly, Part 54 of the Customs Regulations (19 CFR Part 54) is amended by deleting section 54.3, and Part 145 of the Customs Regulations (19 CFR Part 145) is amended by deleting section 145.33.

(R.S. 251, as amended, sec. 624, 46 Stat. 750 (19 U.S.C. 60, 1634))

Because this amendment merely conforms the Customs Regulations to a statutory change, notice and public procedure thereon is found to be unnecessary and good cause exists for dispensing with a delayed effective date under the provisions of 5 U.S.C. 553.

Effective date. This amendment shall become effective upon publication in the **FEDERAL REGISTER**. (095842)

UNITED STATES DEPARTMENT OF COMMERCE
The Assistant Secretary for Domestic
and International Business
Washington, D.C. 20230

COMMITTEE FOR THE IMPLEMENTATION OF TEXTILE AGREEMENTS

August 27, 1976.

COMMISSIONER OF CUSTOMS
Department of the Treasury
Washington, D.C. 20229

DEAR MR. COMMISSIONER:

This directive amends, but does not cancel, the directive issued to you on April 28, 1976, which directed you to prohibit entry during the twelve-month period beginning on May 1, 1976 and extending through April 30, 1977, of cotton and man-made fiber textile products in certain specified categories, produced or manufactured in Mexico in excess of designated levels of restraint. The Chairman further advised you that the levels of restraint are subject to adjustment.¹

Under the terms of the Arrangement Regarding International Trade in Textiles done at Geneva on December 20, 1973, pursuant to paragraph 7(a)(ii) of the Bilateral Cotton, Wool and Man-Made Fiber Textile Agreement of May 12, 1975, as amended, between the Governments of the United States and Mexico, and in accordance with the provisions of Executive Order 11651 of March 3, 1972, you are directed to amend, effective on September 2, 1976, the level of restraint established for Category 235 to 301,155 dozen.

The actions taken with respect to the Government of Mexico and with respect to imports of man-made fiber textile products from Mexico have been determined by the Committee for the Implementation of Textile Agreements to involve foreign affairs functions of the United States. Therefore, the directions to the Commissioner of Customs, being necessary to the implementation of such actions, fall within the foreign affairs exception to the rule-making provisions of 5 U.S.C. 553. This letter will be published in the *FEDERAL REGISTER*.

Sincerely,

ALAN POLANSKY
Chairman, Committee for the Implementation
of Textile Agreements, and
Deputy Assistant Secretary for
Resources and Trade Assistance

¹ The term "adjustment" refers to those provisions of the Bilateral Cotton, Wool and Man-Made Fiber Textile Agreement of May 12, 1975, as amended, between the Governments of the United States and Mexico which provide, in part, that: (1) within the aggregate and applicable group limits, specific levels of restraint may be exceeded by designated percentages; (2) those levels may be increased for carryover and carry forward up to 11 percent of the applicable category limit; (3) consultation levels may be increased within the aggregate and applicable group limits upon agreement between the two governments; and (4) administrative arrangements or adjustments may be made to resolve minor problems arising in the implementation of the agreement.
